

Central Ohio Pink Pistols

Would you like to learn more about self defense? Would you like to learn about firearms and shooting in a safe, supportive, friendly and non-intimidating environment?

Pink Pistols is a national organization promoting the safe and responsible use of firearms for recreation, competition, and self-defense in the gay, lesbian, bisexual, and transgendered community. The Central Ohio chapter will be meeting on Thursday, July 24th in Grove City. Shooter education and live fire will start at 6:30 and there will be plenty of time for questions and to socialize with like minded people in the GLBT community. Food and refreshments will be provided.

Plenty of range time is available but instructors and range officers will have to be scheduled according to participation, so send some e-mail to let us know you are coming.

The shoot is open to all, regardless of firearms experience or sexual orientation, and you do not have to own a gun to participate!
